By signing this application, I understand that:

1. This application, if submitted within the open enrollment period of September 7, 2010 to January 28, 2011 by 3:30PM is eligible for the random, electronic lottery that will be held on February 28, 2011;
2. If it is not received by 3:30PM on January 28, 2011, my child's name will be added to the end of the waiting list that is established by the lottery;
3. In order to assign a lottery number to all grade level applications that are eligible for the lottery, the applications for each grade level will be alphabetized by last name, and that the number assigned to my child will be based solely on the alphabetical order (for example, if the first three applicants last names are Aaron, Aarron and Arone, they would be assigned lottery numbers (1) Aaron, (2)Arone and (3) Arron);
4. The lottery will be held at 4PM on February 28, 2011 and I may request my child's assigned lottery number by completing a form on the school's website beginning Monday, February 14, 2011 until 3PM on Friday, February 18, 2011.
5. The school will not accept requests after that time, and lottery numbers with student names are not posted.
6. It is my responsibility to request the lottery number in a timely manner;
7. I may attend the lottery which will be held in the school's gymnasium, and that if I do not attend, I understand that it will have no impact on the random, electronic lottery.
8. If it does not occur naturally through the random lottery, the principal will balance by gender and by race and ethnicity, so that the demographics of the area are represented. This may impact my child's position;
9. TCMS accepts applications from the Tampa Bay area, as well as outlying counties;
10. The official e-mail notification of my child's placement (acceptance/waiting list) will begin Monday, March 7, unless I notify the school that I do not have access to the internet and that an official notification should be mailed to my home; all families will be notified by Friday, March 11, 2011.
11. Any e-mails sent to me by TCMS could possibly be delivered into my Spam or Junk Mail folder(s); therefore, I am responsible for checking these folders for notifications from the school;
12. Per administrative policy, lottery results are not given over the phone or by e-mail until the official notification date, which shall be no later than March 11, 2011.
13. If my child is accepted through the lottery and I initially have accepted the space at TCMS but subsequently have changed my mind, I must personally contact the Director of Student and Personnel Services to let the school know that my child will not attend as a result of having been accepted to another public school, a magnet school, a private school or any other out of county/state school OR other reason
14. My child will be entered into the grade level lottery for the grade indicated on the application.
