

2010-2011 TCMS 8th Grade Consumable Bundle

TCMS uses a variety of resources as quality instructional materials. TCMS consumables include the school-wide planner, literacy resources, soft texts/workbooks, and material fees. Students will use hard textbooks for some classes and may be issued a copy to keep at home for return at the end of the school year. Some textbooks are available online. All TCMS consumable items must be purchased from TCMS prior to the first day of school, August 19th. Checks made payable to TCMS should be submitted to the front office with the student's name and grade level. Students will receive paid consumable items the first week of school.

Novels may be purchased from any book vendor or checked out from the library as students need the book. All novels are available at Barnes and Nobles and TCMS receives a part of the profits.
